JSA. BE THE PEOPLE

Winter Congress 2017

On February 4-5, 2017, the Northern California Junior State of America will hold its annual Winter Congress minutes away from our state capital at the Sheraton Grand Sacramento. The NorCal student leaders hope you can join hundreds of other students and teachers from across California for an exciting educational experience at this weekend-long, student-run simulation of the United States congressional legislative process.

Textbook accounts of how a bill becomes a law can never convey the passions of lawmaking. Even viewing Congress in session fails to give a sense of the heated debates that go on in committee hearings or the compromising done in back room meetings. Winter Congress lets you experience not only becoming a member of Congress and seeing everything from the back room logrolling to the fiery speeches on the floor of the House and Senate, but also the thrill of having your own legislation passed by Congress or the anguish of watching your bill defeated. You will also get to debate other student's bills, propose amendments to make them better, or do your best to prevent a bad bill from passing.

The Northern California JSA student leaders create the Winter Congress simulation through assembling a team led by a Convention Coordinator and Bill Director and selecting students to serve as House and Senate leaders, party whips, committee chairs and clerks, etc. Through engaging in spirited debates, Winter Congress will give you the unique opportunity to think critically, express your own opinions, and challenge the opinions of others in a tolerant, supportive atmosphere. You will also have the opportunity to meet students from other schools throughout Northern California through a variety of other events, including a dance and other activities on Saturday night.

We hope you leave Winter Congress 2017 with a broader perspective and deeper understanding of how our country's main legislative body functions and the process through which legislation is created.

THE NORTHERN CALIFORNIA SCHOLARSHIP FUND

Northern California JSA is very fortunate to have a scholarship fund that helps students and families in need afford the cost of our overnight conventions and helps new chapters get started. Since its inception in 2013, the [Northern California Scholarship Fund](#) has helped hundreds of students in need experience a Northern California JSA convention who would otherwise have been unable to attend because of economic constraints.

Unfortunately, the funds we have are limited, and frequently, even with the help we can offer, many NorCal students still can't afford to attend conventions and we have little left over to help build new chapters. Not only does this deny many students the chance to discuss important issues facing our country and world with their peers, it also denies the students who can attend the opportunity to hear those valuable perspectives.

Would you please consider making a tax-deductible donation to the [Northern California Scholarship Fund](#) to help Northern California students and families in need attend conventions and also help build JSA chapters at new schools?

Northern California JSA receives hundreds of convention scholarship applications each year, and the reasons why students need help vary and are often extraordinarily heartbreaking. This is but one example:

"I was recently placed into foster care due to domestic issues with my biological parents. I am in my *** year of high-school and trying my best to achieve my full academic potential. I basically have nothing in my possession except a few articles of clothing. I really need this scholarship and I would be really grateful if it was granted to me."

The Northern California Scholarship Fund is frequently the only way we can help students in need attend our conventions. We want every student, no matter the economic realities they face, to have the chance to voice their opinions and participate in our democracy. In the words of one JSAer, "JSA has taught me to be a good citizen, strong public speaker and a true friend. Without the support of this program and the people in it, I would not be the person I am today."

Anything you can contribute to the [Northern California Scholarship Fund](#) to help the students, families, and chapters who need that help most will go a long way:

- **\$25** pays for a start-up kit and all materials a new chapter needs to get off the ground
- **\$50** can reduce a student's Winter Congress convention cost by ~25-35%
- **\$100** will provide a full scholarship for a student in need who attends a Title I school
- **\$250** can cover over 75% of the cost for two students in need to attend Winter Congress
- **\$500** can send five students trying to start a JSA chapter to Winter Congress
- **\$1,000** can start a new JSA chapter

You can donate to the Northern California Scholarship Fund either by sending a check made out to JSA along with your Winter Congress payment (noting the check is for the Northern California Scholarship Fund) or by donating online at jsa.org/NorCal. 100% of your donation will go to help NorCal JSA students in need.

If you send in a check to JSA along with your student's Winter Congress payment, please note your donation on the Student Permission and Registration Form. Receipts will be sent upon receiving the chapter's Winter Congress payment.

Thank you for your time, and for your generosity. The entire Northern California JSA community, especially the Northern California students and chapters in need, greatly appreciate your help.

Sincerely,

3. **At no time during the weekend convention are students of different sexes allowed in each other's rooms.** In other words, no young men in young women's rooms and no young women in young men's rooms. Violations of this rule will likely result in dismissal of both students and a report made to their school(s).

PREPARING FOR CONGRESS

Serve as a Member of Congress

Can you protect your bill from amendments that might lessen its impact? Should you compromise to gain support or should you hold and try to persuade others your bill is perfect as is? Members of Congress face such questions every day, and now it's your turn. At Congress 2016, as either a Senator or a member of the House of Representatives, you will experience the inner workings of the U.S. Congress firsthand.

Write Legislation

Students' participation in Congress 2016 starts before the convention begins, as students work in teams to research and write legislation. Students select an issue they really care about and determine how Congress can use its powers to change the law.

Every chapter must submit **one bill for every five delegates** attending the convention. All bills must be submitted by December 30, 2016. Most of the bills received will be placed on the bill docket for consideration at Winter Congress. You can find complete information on writing and preparing a bill in the NorCal Winter Congress Booklet on the [NorCal JSA website](#). For a bill to be considered, all sponsors must be tax-paid members.

Committee Action and Mark-up

At the convention, students are assigned to committees where all the legislation is discussed and marked up. Amendments are made and language is clarified while the students learn the art of compromise to earn the committee votes needed to send their legislation the floor of the House or Senate.

Floor Debate

Public speaking skills are emphasized as the sponsors of the legislation that passed in committee take the podium in the full House and Senate sessions. The chambers are always packed as supporters and opponents of each bill get a chance to speak and persuade the members to support their position. Students will have the chance to speak out on the most pressing issues facing our nation today.

Convention Overview

- *Saturday, Day 1 – House and Senate Committee Hearings*
 - Each student is assigned to a House or Senate committee that meets to consider bills. A student chairs each committee, assisted by a clerk. Students interested in serving as a committee chair or clerk should apply at <http://bit.ly/2fLJrr3>. All bills passed by both a House and Senate committee are placed on the docket for Sunday.
- *Sunday, Day 2 – Full House and Senate Floor Sessions*
 - Students meet in full sessions of the Senate and House of Representatives to debate the bills which passed in both their House and Senate committees. A student will serve as the President Pro Tempore of the Senate and another will serve as the Speaker of the House of Representatives.

JSA WINTER CONGRESS ACTIVITIES

Debates

Debates serve as the cornerstone of the Junior State by giving delegates a forum to express their views in an orderly fashion, while promoting a clash of ideas that leads to deeper understanding of controversial issues. Using parliamentary debate style, delegates develop political awareness, attitudes, and public speaking skills through participation.

JSA debates at Winter Congress center around student-written pieces of legislation. Debates begin with six-minute opening speeches by the sponsor of the bill, followed by a six-minute con speech from a delegate in their House who is opposed to the bill. A pre-selected Committee Chair guides the action following the opening speeches, where any student in the audience may volunteer for three minute subsequent speeches in support of either side.

Students vote for a "Best Speaker" among the delegates in their House or Senate Committee at the end of the weekend. The main focus of JSA debate is, however, on persuading the audience and imparting a greater understanding of the issues involved, rather than competition between speakers.

Debate Procedure

1. Pro Opening Speech, *6 minutes*
2. Con Opening Speech, *6 minutes*
3. Subsequent Pro Speech, *3 minutes*
4. Subsequent Con Speech, *3 minutes*
5. (More Subsequent Pro and Con Cycles)
6. Move to Previous Question
7. Con Closing Speech, 3 minutes
8. Pro Closing Speech, 3 minutes
9. Vote on Resolution
10. Best Speaker Ballots

Debate Motions:

Move to...

- Previous question
- Extend speaker's time
- Ask a two-part question
- Suspend the rules and have another pro/con speaker
- Caucus

Purpose

- Ends subsequent speech cycle and returns to main speakers for closing
- Allows the speaker to speak for 30 seconds or 1 minute longer
- Allows questioner to ask a speaker two questions in a row
- If nobody wants to speak subsequently for a certain side, you can skip and move to the other side. Try to avoid this though!
- This opens the debate to a thought talk

Keynote Speakers and Political Fairs

Distinguished politicians, statespersons, journalists, and public policy experts across the political spectrum are invited to address JSA conventions. Delegates gather for opening and closing sessions where these high-profile speakers address the students and answer their questions. JSA members have met and posed questions to key personalities from across the entire political spectrum.

Social Activities

JSA conventions combine the intellectual stimulation of intense political dialogue with some activities in the evenings after dinner time that are just plain fun. Students get a chance to relax in less formal settings including dances, quiz bowl, impromptu debates, and relax with their friends at a JSA Lounge among others. JSA conventions let students meet others with similar interests and diverse talents which helps them build a life-long network of friends.

Students involved in JSA, Forensics, Model UN, student government, your school's newspaper, the speech and debate team, and honor society members might all have an interest in attending Winter Congress. History, government, and social studies teachers may even wish to send their entire class.

Chapters are expected to screen prospective delegates. You are responsible for the delegates you bring, so select them carefully. **Convention attendance is a privilege, not a right.** Teachers should only bring delegates who have a history of good conduct and who have demonstrated their serious interest by attending chapter meetings.

Delegates must attend all convention activities. Those not participating in scheduled convention activities will be sent home. We strongly recommend that each chapter have a pre-convention meeting with students and parents to go over convention rules, debates, and travel plans.

No student visitors are allowed in the hotel. Delegates who associate with non-registered students will be sent home. You have a responsibility to let other students at your school know that the convention is for registered students only, and the chapter will be in serious trouble if others drop by. If your chapter members associate with non-registered students, The Junior Statesmen Foundation reserves the right to send the entire chapter home. Nametags will be checked at the dance and at other activities.

Registration: You are responsible for organizing and submitting your chapter's registration in an efficient and timely fashion. Bringing a chapter to a JSA convention takes considerable preparation and often includes receiving school approval for the convention, arranging transportation, and gathering and submitting all the required registration materials before the registration deadline. It can take weeks to get everything organized and finalized, so start planning now!

Putting a JSA convention together is also a large and complex task that takes JSA months to coordinate – especially when it comes to reserving hotel space and rooms. Please register on time and in full. If your registration is not submitted before January 20th deadline, JSA will likely have to house students based on available space, rather than by your requested rooming list. Contact the Northern California Program Director Dan Hess at dhess@jsa.org if you think you might be delayed in submitting your registration.

A few things to keep in mind while registering your chapter:

- All students and Teacher/Advisor(s) from your high school must register as one chapter.
- **You must note whether a delegate will be a Senator or a Representative.**
- Please remember to send the **2017 NorCal Winter Congress Committee Spreadsheet** for your chapter to the Northern California Program Director when you register.
- JSA houses four students of the same sex are a room with two double beds. If a chapter has fewer than four students of one sex assigned to a room, students from another school may be added.
- Elected and appointed JSA student officers (approved by the Program Director) who have been invited one day early and stay in a room with other JSA student officers must get the approval of their Teacher/Advisor(s) to do so and should still be listed in their school's chapter registration.

Rep/Sen: Each delegation will be made up of a combination of Senators and Members of the House of Representatives. **For every three (3) delegates registered from your high school, one (1) may be designated as a Senator.**

Committees: Students will have the chance to participate in three different committees on Saturday. Please let your chapter president know your top three choices so they can include it in your chapter's registration.

2017 NorCal Winter Congress Committees (Subject to Change)

Armed Services/Veterans Affairs
Constitutional Issues
Education/Students' Rights
Energy/Environment/Natural Resources
Ethics
Foreign Relations
Healthcare
Homeland Security/Intelligence
Judiciary/Civil Rights/Law Enforcement
Pop Culture/Sex and Drugs
Science
Transportation

When registering, please send a copy of the [2017 NorCal Winter Congress Committee Spreadsheet](#) to the Northern California Program Director with a list of your delegate's top three committee preferences.

Bills: Every chapter attending Winter Congress must submit at least **one bill for every five delegates**. Your chapter may submit as many additional bills as you wish, but there is no guarantee that it will be included in the bill docket. Students are encouraged to research the topic of their choice and volunteer to sponsor a bill at the convention. Refer to the *NorCal Winter Congress Booklet* for instructions on how to prepare bills for Winter Congress. Each bill should have a House and Senate sponsor.

The Winter Congress Cabinet will do their best to ensure that every bill is listed in the final bill docket, and will contact all students prior to the convention to resolve any problems with the bills as well as notify them of their bill's placement in the docket.

Your chapter is encouraged to research and discuss other chapter's bills before Winter Congress as well.

TEACHER/ADVISOR CONVENTION RESPONSIBILITY FORM

The Junior State of America sincerely thank you for accompanying your chapter to the upcoming convention. We appreciate your dedication to furthering the goals of JSA and to increasing the political awareness of today's youth. Without your help, students would not be able to attend conventions like these and would miss an opportunity to debate and discuss controversial issues, learn more about the democratic process, and develop leadership skills.

Outlined below are mandatory responsibilities of Teacher/Advisors at a Junior State convention. Please review them and send in this form, signed, with your chapter's registration materials. Ultimately, you are responsible for the students in your chapter so please check with your administration regarding rules pertaining to school trips.

1. **BE PRESENT.** In compliance with school or school district rules, Teacher/Advisors must be present onsite and readily available throughout the entirety of the convention to accompany students and keep students on track and motivated. Please make sure to bring contact information for all students and establish a way students can get in touch during the convention by cell phone and/or at specified locations and times.
2. **CHECK-IN.** Teacher/Advisors must be present with the student chapter leader at registration to check in the chapter. Teacher/Advisors will receive their students' guest room keys for distribution in the afternoon.
3. **TEACHER/ADVISOR MEETING.** All adult chaperones MUST attend the mandatory Teacher/Advisor meeting with the Junior State staff to review convention logistics, convention and hotel rules, and receive important announcements for the weekend.
4. **CHAPTER CAUCUS.** After dinner, all students must check in with their Teacher/Advisor(s). Teacher/Advisors must take roll at the caucus and report any missing students to the Junior State staff. Teacher/Advisors should review the convention rules, curfew time, and morning checkout time with the students. All students must remain inside the hotel after the chapter caucus.
5. **NIGHTTIME ACTIVITIES SUPERVISION.** Teacher/Advisors must sign up for shifts in the evening to monitor hotel hallways, common areas, or nighttime activities including chaperoning the dance. Teacher/Advisors will receive instructions for signing up to supervise these areas and activities at the mandatory Teacher/Advisor meeting.
 - a. JSA has adult supervisors on the floors in the evening to keep noise levels down and to discourage misconduct. Most Teacher/Advisors volunteer to patrol the floor that houses their own students. If witnessing students involved in any inappropriate conduct, do not hesitate to intervene. If uncomfortable dealing with students from other high schools, feel free to notify the Teacher/Advisor from that school or Junior State staff to take care of the situation. During the dance, Teacher/Advisors monitor the doors and check name tags to ensure ONLY JUNIOR STATE STUDENTS attend the dance.
6. **CURFEW -- ROOM CHECKS.** Teacher/Advisors must go to all of their students' rooms at curfew and check that all their students are present. Students missing curfew may be sent home. Please pass along any announcements for the next day at this time.
7. **CHECKOUT.** All students must check out of their rooms by 9:00 a.m. Sunday morning. Luggage storage has been arranged. Teacher/Advisors should meet their students in the morning at 9:00 a.m. to collect their room keys and make sure that all students have checked out of their rooms. Teacher/Advisors may turn keys in at the Junior State registration table.
8. **MEDICAL EMERGENCIES/DISCIPLINARY ISSUES.** The Junior State staff at the convention will contact Teacher/Advisors if a member of their chapter has a serious medical issue or violates major convention rules. Teacher/Advisors will coordinate with the Junior State staff to arrange medical attention for students, notify parents/guardians and school officials if necessary, and send students home for serious rules violations. PLEASE REVIEW ALL THE CONVENTION RULES IN THIS PACKET AND DISCUSS THEM WITH STUDENTS BEFORE THE CONVENTION.
9. **MORAL AND EDUCATIONAL SUPPORT.** Teacher/Advisors can provide valuable moral support to students. If a student is a main participant of a debate, or is planning to make a subsequent speech, Teacher/Advisors can give them a boost just by attending their debate. Since many students use the time just prior to their debate to refine their argument, Teacher/Advisors can also provide educational assistance through providing advice or answering questions before a debate. Discussing a debate and their student's performance after it is over can also help students understand any points they missed or clarify any misinformation.

I have reviewed the above responsibilities and agree to faithfully execute the duties required of me as a Teacher/Advisor at a Junior State Convention.

CONVENTION CHECKLIST

Use this convention checklist to help plan and get your chapter to Winter Congress. Remember, many of these steps take time so start planning early!

1. Get School Approval

- Give a copy of the convention flyer to the Student Activities Director.
- Find out and follow the procedure for obtaining school approval for the trip.

2. Publicize

- Pass out flyers to interested students. Tell everyone to take the flyer home and show their parents.
- Distribute flyers to teachers who may know of other interested students.
- Post flyers around campus. Write a contact and email for interested students.

3. Write Legislation (Bills are due by December 30th!)

- Discuss federal issues with your chapter members and see who might be interested in writing legislation.
- Divide your chapter into teams of 3-5 people to research each subject.
- Have each subject team decide who will write the bill. Be sure to follow the format provided in the NorCal Winter Congress Booklet!
- Decide who will be the Senator and Representatives officially sponsoring the legislation. This information **MUST** be included with your registration.

4. Register and Pay

- Find out the procedure for obtaining a school check or purchase order for the entire chapter's registration cost. If the school cannot do this, a Teacher/Advisor or parent can write the check. If this occurs, tell chapter members to whom they should make their checks payable. JSA cannot accept individual checks from every student.
- Put the cost you are charging for Winter Congress on the **Student Permission and Registration Form** and pass out registration packets to all interested students. If they don't already, have them create MyJSA accounts.
- Set a deadline for returning registration checks and permission forms. This deadline should be at least ONE FULL WEEK before the December 23rd or January 20th registration deadlines.
- Collect registration and permission forms. Make sure every student has gone over the permission forms with their parents and has returned their permission form signed.
- Collect checks, process them with the school, Teacher/Advisor, or parent, and obtain one inclusive check for all registration costs and membership dues (for students who have not already paid dues for the 2016-2017 school year).
- Register your chapter at MyJSA. (See next page.) Make sure all names are spelled correctly and you have indicated which students will be Senators and Representatives. Your Teacher/Advisor must sign off on the Hotel Rooming List.
- Scan and send, or make copies and mail, the chapter registration form, payment, student permission forms and Teacher/Advisor Responsibility Form to the JSA office. Make a copy of each and keep one for the Chapter President and one for the Teacher/Advisor. Make sure registration materials are submitted by then registration deadline.

5. Arrange Transportation

- Determine how the chapter will travel to the hotel.
- If the chapter is large enough, arranging a bus through the school district or an outside bus company may be necessary. If doing this, **START EARLY.** The process could take a few weeks.
- If the chapter decides to carpool, make sure to find enough Teacher/Advisor or parent drivers to accommodate the entire chapter. **Remember: No students may drive cars to a JSA conventions.**
- Set a time and place for everyone to meet before the convention and the estimated time of arrival for drop off after the convention.

6. Have Pre-Convention Meetings

- Invite all students, their parents, and Teacher/Advisors to a pre-convention meeting (scheduled during the late afternoon or evening if possible). Go over transportation, what to bring, the format of the convention, and the convention rules.
- Discuss appropriate behavior and expectations during the convention.
- Have another meeting for the chapter to debate or discuss one or more of the debate topics for the convention.

7. What to Bring With You to the Convention

- A cell phone list of all students and a list of emergency telephone numbers for parents.
- All balances must be paid **before** the convention, but in the event the chapter has any outstanding convention charges, contact the Northern California Program Director Dan Hess at (650) 393-7644 and make arrangements to pay the outstanding balance.

ONLINE CHAPTER REGISTRATION GUIDE

The following step-by-step guide walks you through the online registration process. If you run into any problems, or if you have any questions, please do not hesitate to contact the Northern California Program Director Dan Hess by phone at (650) 393-7644 or by email at dhess@jsa.org.

- Step 1:** *Log into MyJSA. Go to the "My Events" tab, and under "Register for a New Event" select "Winter Congress" and then click "Start registration."* This will create a new event on the *My Events* page. Click on the link and select the student chapter leader and primary attending Teacher/Advisor. Please do this as soon as the chapter has permission to attend (even before knowing how many students will attend), as this helps JSA plan attendance.
- *Please note: If you have a "My Chapter" tab but you do not see a registration option under "My Events", contact the JSA office at (800) 317-9338 or email jsa@jsa.org and a staff member will add this option to your account.*
- Step 2:** *Update the chapter roster.* Make sure new and returning chapter members are listed under the chapter's membership roster in the JSA database. Ask all new and returning members to create or update their MyJSA account at jsa.org/MyJSA.
- *Suggestion: Bring a laptop to the first few meetings and have members create or update their MyJSA accounts.*
- Step 3:** *Collect registration forms, permission forms, and payment.* During November and December, collect Winter Congress registration forms, permission forms, and payments from all members who will attend the convention.
- *Suggestion: Use a spreadsheet to keep track of who has paid and/or submitted the registration forms.*
- Step 4:** *Create a rooming list.* Once a list of members attending is finalized, create a rooming list putting all male students in one set of rooms and female students in another.
- *Please note: Please try to put three to four students in each room. If you have a room with fewer than four students, students from another school may be added if that space is needed. You would be notified in advance if there is a high probability of this happening to any of your chapter's rooms.*
- Step 5:** *Log in and complete your chapter registration.* The online registration form will ask for the information you have assembled, namely, the students and Teacher/Advisors for your group, your rooming list, and who in your chapter will be a Senator and who will be a Representative. Once all the information is entered correctly, click "Submit."
- *Please note: You select all students and Teacher/Advisors from the chapter roster, so please make sure the roster is complete and updated as described in Step 3.*
- Step 6:** *After submitting your chapter registration online, a preliminary invoice will be created showing the total amount due and a list of students and Teacher/Advisors attending.* Review the payment options and arrange to pay before the convention.
- *Dan Hess, the Northern California Program Director, will review and confirm your registration details and then send you a final invoice.*
- Step 7:** *Send in your chapter's convention payment (including membership dues if applicable), signed student permission forms, signed Teacher/Advisor Responsibility Form(s), and any donations to the Northern California Scholarship Fund to the JSA office in Burlingame.*
- *Please note: If paying for the convention by credit card, please contact the Northern California Program Director to ensure you've received the correct link to pay online or feel free to call the JSA office and supply the credit card information over the phone.*
